INDUSTRY CONNECT

The Indian School of Design and Innovation has close tie-ups with acknowledged leaders from different fields and industries. This corporate partnership provides students with invaluable hands-on experience and creates a valuable network for their future. The interaction exposes them to the best and empowers them to become successful front-runners in their chosen careers.

Indian School of Design & Innovation

ISDI Tower, 6th floor, One Indiabulls Centre, Lower Parel, Mumbai 400013
